The background features large, stylized numbers in a dark red color. The numbers 3, 2, 9, 7, and 1 are arranged vertically on the left side of the page. The number 3 is at the top, followed by 2, 9, 7, and 1 at the bottom. The numbers are thick and have a slightly irregular, hand-drawn appearance.

Non è il cemento,
non è il legno,
non è la pietra,
non è l'acciaio,
non è il vetro
l'elemento più resistente.
Il materiale
più resistente nell'edilizia
è l'arte.

Gio Ponti

Credo che in questi anni
non abbiamo solo curato
la continuità della
tradizione di FontanaArte,
la sua identità, ma che
l'abbiamo anche integrata
di forti contenuti
contemporanei e che
questa esperienza di
design totale, dal progetto
alla produzione, ci abbia
molto arricchiti anche
personalmente.

Gae Aulenti

La ricerca della qualità
è la luce che ci ha sempre guidati.
Per "qualità" non intendiamo
solo prodotti innovativi
e fatti a regola d'arte,
ma una filosofia di lavoro
che implica rispetto.
Rispetto per la storia.
Rispetto per le persone.
Rispetto per l'ambiente.
Rispetto per il futuro.
